

April 2018 NFIP Changes eBook Available

Regulatory changes to the National Flood Insurance Program will take effect on April 1st 2018. Our flood vendor, Aon National Flood Services, has released their eBook "Making Sense of April 2018 Regulatory Changes". It was designed to simply explain these changes and what they mean for agents and their insureds.

The eBooks have been moved to a new platform featuring enhanced user capabilities, including:

- More content - Use the scroll-down arrows to read content that extends beyond the screen view.
- Printable PDF - Prefer a traditional view? Click on the "Download PDF" button to get a printable version of our eBooks.
- Easy navigation - Look for lateral arrows to turn pages; down arrows "MORE" on bottom left to scroll down; "Read More" for extensive explanations throughout the eBook.
